# Leadership Mentoring Forums

Join other professionals alongside our seasoned mentoring faculty for an evening of shared discussion and learning. We'll explore leadership and professional development in today's fast-paced world.

## Topic: Leadership clarity in a 24/7 world

How do we lead well in a 24/7 world? People are always on, always connected, and always going at breakneck speeds. We are overwhelmed with information, techniques, and tips. Yet, many are desperately craving good leadership, but what is that - what does it look like?
